Growing in God's Love, Serving All God's People
through Rejoicing, Renewing and Reaching Out

Dear friends,

St. Augustine said that 'Our souls are restless until they find their rest in God.' I hope you have found the permanent rest and peace that God desires for you. But when our nation and world have been rocked by a pandemic, the war in Ukraine and now terrible inflation, that spiritual state of rest can easily get shaken. Our hearts and minds have endured years of relative isolation, anxiety and fear so if you are going through a challenging time, you are not alone. Many, if not most of us, are struggling to find the peace we once knew.

The author of Hebrews was writing to a community reeling from an unclear struggle. And he called them back to living faithfully and obediently which is both more difficult and more important during periods like this. This begins with remembering the only place where we can find our security and rest and comfort -- through trusting in God and the Eternal Word he sent in order to show us that we and the whole world are in God's hands.

So on days when your soul or your life seems to have become unmoored and you are feeling a bit lost at sea, remember the eternal anchor of all things -- the one who orders the stars and planets and the seasons and tides. If the stress and strain have led you to go astray, rush back to God and rely upon God's mercy. Do not further isolate yourself but seek the fellowship and counsel of friends and family. Get back on track spiritually through worship and prayer. Do all of these things and God will bring you back to the rest God wants for you. And know that your pastor and church are here for you if you could ever use a Word or a prayer.

Sabbath and Sabbatical Rest

Related to the above article is making sure you take time this summer for recreation and restoration with your families. I am grateful to the session for providing me with a mini-sabbatical of one month this year which I will spend with extended family since we have had insufficient time with them over the years. I will be diving deep into prayer, study and rest. The session considered our presbytery and national church's recommendations re: 3-month sabbaticals every 6-7 years for pastors. Let us know if you would like more information about that. I also applied again for a sabbatical grant for 2023 and ask for your prayers in that regard.

Stated clerk of the presbytery, Rev. Jeremy Campbell, will lead worship on July 3rd and our presbytery's Resource Presbyterian Rev. Steve Huston will do the same on July 10th. We will have emergency pastoral care available from June 27 - July 11 as well and you can call Lauren in the office for more information. Pastor Ken and Linda Macari will be covering both worship leadership and pastoral care from July 25th - August 15th.

Stewardship & Finance Committee Restoration Project Update

The restoration of the damage caused by the September 1st flooding of the spaces below the Sanctuary is essentially complete. Russ Miller, head of Trustees, has done a terrific job managing the various contractors needed to: repair the plumbing, install new air conditioning units, replace numerous windows and upgrade the Sanctuary A.V. system. An expense breakdown is shown below:

We are so grateful for the 21 donors who generously contributed \$29,200 to support this repair / renovation. Thank you!! However, even when adding the \$35,000 donated by the Ficken Fund, we are still running a deficit of nearly \$56,000. We urgently need further contributions to close this gap. Please prayerfully consider making a donation now to financially support the repair of our Sanctuary. Donations can be sent to the church office or be made online by selecting the "Give" tab located on the FPC website (fanwoodpc.org) and designating the "Restoration Campaign".

Should you have any questions regarding the renovation or this update, please feel free to contact Russ Miller (jagrussm@gmail.com) or Dave McDede (dmcdede@comcast.net). Thank you. The Stewardship & Finance Committee and Trustees

Church News

As followers of Jesus, we are continually growing in our faith, knowledge, love, and service. God has plans and purposes for all until we are no longer on this earth. From one of our Women's Bible Study Teachers, Priscilla Shirer "*The breath filling your lungs right now is an indicator that God still considers you a necessary part of what He's advancing and accomplishing on the earth*" We are part of God's plans as we grow in our faith and practice. Opportunities for children, youth and adults continue. – with expanded family and fellowship activities. Take advantage of one of the adult Bible studies - the Women's group is continuing through the summer with the study of Elijah, and new studies will be added in the fall.

Summer is a time to explore new ways to grow. Certainly, our children and youth can expect great times at Vacation Bible School 's Monumental Adventure July 18 to 22 from 9 am 12 noon looking at the life of Joseph. Learning of God's love, exploring the great world God has created and enjoying music, crafts and games, as well as making new friends. For more information contact Lauren Comerford, Jessica Miller, Michelle Howell, or Linda Macari.

A Word From Westminster Preschool

Well our school year has come to an end and we left on such a positive note! We celebrated our Westminster Mom's and Dad's with our annual Mother's Day Picnic and a Donuts for Dads Breakfast! Our teachers also organized a Park day, a Luau and a "Fun Day" for the children. Our 3 Minus class even went on a safari in the halls of Westminster! I have to say we have the most amazing teachers and their commitment to the children and their families is unmatched.

Our 4 year olds ended the school year with a beautiful Graduation Ceremony in the Sanctuary on Thursday June 16th. We were so happy to have Pastor David with us to say a prayer for the children and to just celebrate the end of their time at Westminster!

I would like to thank everyone for their continued support of our school! We look forward to a regular schedule next year at Westminster. Our afternoon classes will be returning and we have many new families joining us in the Fall. Hope you all enjoy your summer.
Sincerely, Kim Russo

(Pastor David adds that he looks forward to getting back to leading WPS chapel once a month in the fall.)
